Page 3, STRIKE lines 18 through 26 and INSERT:

"While we recognize that these circumstances were beyond Arizona Water's control, they are immaterial to our determination of whether or not Arizona Water complied with the condition in Decision No. 66893 requiring the Company to file a copy of the CAWS for the Florence Country Estates development. Moreover, the Analysis of Assured Water Supply that ADWR issued for the EJ Ranch development, which covered the area in which the Florence Country Estates development is located, does not satisfy the condition in Decision No. 66893 requiring the submission of a CAWS for the Florence Country Estates development. We therefore find that, for the purposes of compliance, this condition on Arizona Water's CC&N extension was not fulfilled."
